SHOP 2 SKATE

We're encouraging everyone to shop locally this Christmas- and what better way to do this, than to offer free ice skating tickets to people that do!

THE RULES

- Receive a free stamp for every £10 you spend in a local participating business (Thursday - Sunday) from Sunday 18th November
- Once you've collected all 8 stamps from local Lancaster businesses, you can exchange your completed flyer for a pair of ice skating tickets (2) at the Lancaster On Ice Box Office on Dalton Square
- Ice skating tickets can be used from December 3rd (closed Christmas Day) from 10am - 10pm (booking may be required to avoid disappointment during peak times)
- Tickets are limited, so once you've completed your flyer, make sure you book your tickets straight away. Once all the free tickets have run out, Lancaster On Ice will give participants with completed flyers a 10% discount off ice skating tickets
- All participating businesses will have a 'Shop 2 Skate' poster on display in their business
